## Description

Gents 9 carat gold Record wrist watch, 1963. The watch has a signed 16-jewel hand-winding movement which is working nicely. The watch measures 32mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for London 1963. The case is in good condition with just very light marking, nothing serious at all. The lens is in good condition. The signed dial has some marking but it is fairly light. Feuille shaped hands, centre seconds hand and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box.
