Description

This antique Regency style coffee table is solid mahogany & very large, so please check the measurements. They are extremely hard to find this size & I'm always being asked for coffee tables of these proportions. It's very fine quality & has a lovely simple design, so would fit in modern or traditional settings. This table is in excellent condition, having just been French polished & I would date it to around the 1930's period. It has twin pedestals with sabre legs & original brass capped casters. Width – 54 inches, 138 cm Depth – 22 inches, 57 cm Height – 21 inches, 53 cm
