This is a golden opportunity to treat yourself to an outstanding and totally original 1930s Art Deco double bed. These style of beds that scream the Art Deco style are very few and far between and anyone who loves this era or collects from it will know this too. Beautiful walnut veneer patterns which create the iconic 'sunray pattern' design add the stepped ebonized plinth really makes the wow factor. Both the headboard and the foot board have a matching patterned veneers and central deco motif. All you need is a mattress and bedding and you're good to go. This bed is a standard English double in size. We photographed the bed in natural daytime light so you can get a true idea of it's colouring which is a warm mid tone walnut brown with hints of honey.
