Description

You are viewing a lovely original Art Deco walnut column/pedestal. These really are the epitome of Art Deco style and elegance and in the right setting, they look absolutely drop-dead gorgeous. Perfect for modern or vintage interiors, giving that sophisticated look Art Deco is renowned for. The plinth has been hand crafted from the finest walnut which has a fabulous finish, illustrated accurately by the pictures above. With all the whorls and grains of the wood they have come out a treat thanks to a recent restoration re-polish. Perfect as display, perhaps for plants or Art Deco figures to display. Please note : This is an original piece to the 1930's and not to be confused with the highly glossed reproductions that are being currently offered up as being original at over inflated prices by certain dealers who should know better.
