Description

A most attractive Staffordshire blue and white chestnut or desert basket dating from the early part of the 19th Century. This fine antique blue and white chestnut basket has elegant loop handles and is decorated with a floral and scroll pattern in vibrant blue. There is evidence of some early restoration, a tiny chip inside the fretwork and a hairline crack to the base. These are shown in the photographs, but do not detract from the beauty of this decorative piece. A charming example of early 19th Century blue and white pottery. c.1810 Width: 9.5" (24cm) Depth: 6" (15cm) Height: 4.75" (12cm)
