Description

This antique Victorian mahogany chest of drawers has nice proportions, being a bit lower & wider than most. It has a solid mahogany top, original mahogany bun handles & sits on a plinth base with flat bun feet below. The locks & escutcheons are good quality too. All the drawers are deep & the bottom drawer is extra deep because it's joined to the plinth. This chest is in very good original condition & the drawers work well. It dates to around the 1860's period. Width – 42 inches, 106 cm Depth – 21 inches, 53 cm Height – 32 inches, 81 cm
