Description

Pair of French country bedside cabinets This Pair of French country bedside cabinets were made circa 1920. They were made in a mixture of woods, something that is common with country made pieces, on this occasion the cabinetmaker used beech, oak, and burr oak for the panels to the drawer fronts. Each bedside cabinet is fitted a drawer with an open section below. They stand on elegant cabriole legs, and also have the lovely feature of the shaped gallery to the top. 34cms wide 13 1/2ins 27.5cms deep 10 3/4ins 72,5cms high 28 1/2ins All dimensions are approximate. This Pair of French country bedside cabinets are a finite piece of antique furniture that is a very green product which has not affected the environment we live in.
