Description

Antique 1920s Syren pocket watch. The watch has a good quality stem-winding movement which is working well. The movement is signed Syren, Swiss made and has jewelled pallets and a snail cam micro regulator. The movement is protected by an inner hinged cover which has some surface marking from use. The watch measures 50mm diameter excluding the winding stem and the loop. The case is 10ct gold filled and is the Moon model made by the Dennison Watch Case Company, the Dennison Watch Case Company manufactured cases for various watch makers. The case has light surface marking from use and light wear to the back edge although hardly noticeable. The case back has been engraved with monogrammed initials. The acrylic lens is in nice condition. The white enamel dial is in nice condition and it has its original blued steel hands which are in the Breguet style. The watch comes in a new presentation box.
