Description

Antique burr walnut drinks cabinet in excellent condition & dating from around the 1930's period. It has a serpentine shaped front, with reeded canted corners on the top section & sits on bracket feet. The pale golden colour & the pattern of the burr walnut is really nice. Inside the top cupboard is sycamore lined, with a mirrored back & there are two glass shelves that are not showing in the images. There's a pull out slide in the middle with a mirror inset, which was probably designed for serving drinks on. Below that are two drawers & a storage cupboard below which is also sycamore lined. All in all, this is a very practicable item of furniture that would serve well as a drinks cabinet, but also with many other uses. Width – 30 inches, 77 cm Depth – 18 inches, 46 cm Height – 60 inches, 153 cm
