Description

This is a very fine and beautiful example of a vintage wristwatch made by the world renowned premier Swiss maker Rolex. This is a very early model, one of the very first Cellini models. It has a solid 18ct yellow gold case which is very slim making this ultimate dress watch and it has its original Rolex buckle. It is quite stunning, the dial is in incredible condition and it still retains its original ground mineral glass. The calibre 1600 manual winding movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Rolex the watch is fully marked on the dial as Rolex and on the movement and case. It comes complete with both its inner and outer boxes. Rolex are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class, it is extremely difficult to find an example such as this. The watch case measures 24mm x 34mm not including the crown. The watch has just been fully overhauled and serviced by top Rolex agent Robert Reeves. The watch is stripped down to its component parts and each part is examined under a...
