## Description

A French Louis Philippe commode in burr walnut, wonderful warm colour and all in excellent condition. This commode has been through our workshops, so that all drawers run well, it has been cleaned and waxed and any small issues taken care of. It has unusually its original key for every lock and has its original walnut top rather than marble, there are no splits to the sides and it is of better quality than usual. A lovely example. (the difference in colour in some photos is simply a flash has been used in some images).
