Description

Beautiful antique pear shaped ruby which has had no sign of heat treatment set with old European cut diamonds totalling about 1ct. This is a very fine Victorian ring which is set with VS1/2 quality diamonds G colour and set in 18ct gold and silver. This is a rather spectacular ring, it is a natural ruby, which are much more expensive than their sapphire counterparts and to be in an antique ring in perfect condition such of this is rather spectacular. It is set with beautiful sparkling diamonds and it a tulip shape which represents enduring love. A perfect present. SHIPPING All orders will be posted with a full tracking and signed for service.
