Description

Rare and beautiful large mid 19th century Russian Icon depicting a Saint/religious figure,c1850. The icon is painted on a wood panel and has aged well. The colours are still good and the wood has taken on a great patina. The quality of the artwork is excellent and it has a great look. Overall condition is good with minor surface wear/rubbing and minor flaking/loss to the paint. There are some historic worm holes which have long been dormant but it has been treated anyway. It presents exactly as you would expect from a piece of this age. Please refer to the detailed photographs and feel free to contact me with any questions or if you would like to view the item. Size: 35 cm tall x 25 cm wide x 2 cm thick. I will happily ship worldwide.
