Description

Two lovely antique Georgian early 19th Century portrait miniatures, c1800. Both are nicely composed and executed, and have a real look. One is a lovely head and shoulders portrait of a Georgian lady in Gilt/gesso frame. The other is an oval metal framed portrait housed in a quality tooled leather and velvet carrying/travelling case. Both frames/case are original to the portraits. Overall condition is good original antique condition. There obviously is wear and surface marks and there is a small loss to the decoration on the frame. All very much as you would expect from examples of this age. Please refer to the detailed photographs and feel free to contact me with any questions or if you would like to view the item. Size: Framed portrait 14 cm tall x 13 cm width x 3 cm thick. Portrait in case 22 cm wide x 13 cm tall (case when open), portrait 8 cm long x 6 cm wide. I will happily ship worldwide.
