Description

In a tidy condition this walnut chest of drawers is of French decent. A four tier example it has the marble top which certainly helps to eliminate marking and the neat detailing on the side uprights and across the face of the bottom rail. There is a key and three of the four drawers will lock. A good looking useful item with storage, ready to go into service in your home. Delivery can be organised to most areas with specialist carrier for £60/70. Please give us a call to discuss. 01565 874075
