Sold**Item Reference: SA67680****Date of manufacture: 1890**

Description

A most unusual example of a Victorian sterling silver trinket or pill box, a slightly different shape and an attractive repousse decoration around the central domed top. The hinges are in perfect working and when opened the box reveals a gilded interior. There is a hallmark on both top & bottom for Birmingham 1897 together with the makers mark WHW, I think for W H Weston. Superb condition, measuring 2 5/8" x 2" x 7/8" tall. Item ID: 31797
