Description

Really lovely pair of hand painted and gilt on white glass table lamps, fully re wired with a gold braided flex and pat tested. Perhaps a little hint of an Art Nouveau style to the brass work at the top and bottom of the lamps. Both in great condition, cleaned and buffed up, but I have not "polished" the brass plate, leaving them with an original feel to them. Very decorative pair of lamps with the vine pattern to the white glass and a really good size too, not too big, but a medium size pair of lamps. I have shown them with an example pair of 14" diameter shade to give them a bit of perspective, although they are not included in the price of the lamps. Measuring: 27 1/2" or 70cm to top of example shades 19 1/2" or 49.5cm to shade cradle 5 3/4" or 14.5cm square bases
