Description

Lovely quality and very decorative French Regency dressing table in mahogany with its original marble top and octagonal mirror, also a full width frieze drawer, circa 1820. This is a very practical size for comfortable, everyday use and give you good storage in the sectioned drawer which also has its original and working lock and key. The mahogany grain runs from the drawer into the frame itself and standing on the x frame legs with stretcher gives a very stable dressing table, but is also very pretty. There is plenty of leg room when sitting at the dressing table in a typical chair or stool. The mirror can be adjusted to suit with the brass acorn finials and the mirror glass itself is in very good condition. (for moving, the mirror lifts out of the galleried top). Measuring: 54 1/2" or 138.5cm high 30 1/4" or 77cm wide 17 1/4" or 44cm deep 32 1/2" or 82.5cm surface height 26" or 66cm kneeheight
