Description

Fabulous pair of antique walnut bedside cabinets with some wonderful features & in excellent condition. They date from around the 1920's period & have just been French polished. These cabinets have some wonderful shaping & good carvings around the tops, on the corners & on the feet. The tops, drawers & cupboards are burr walnut, the sides figured walnut, while the shaped ends & legs are solid walnut. They have pull out slides on the tops with mirror inserts & the brass hardware is all original. These cabinets are one of the nicest pairs I've come across & they have a lovely mellow colour too. Width – 16 inches, 40 cm Depth – 17 inches, 43 cm Height – 30 inches, 76 cm
