Description

This antique mahogany console side table is in good original condition, with plenty of character and is of high quality. It's nice and slim from back to front, which is always a popular feature. There are well shaped beadings around the front, the elegant legs are turned and fluted. I particularly like the way the middle drawer is concealed. I would date this table to around the 1920-30's period. Width – 39 inches, 100 cm Depth – 14 inches, 36 cm Height – 33 inches, 84 cm
