Description

A good example of an antique solid Sterling Silver sugar caster. It is stylish and good quality piece, weighing approximately 104g. It is hallmarked for Barker Brothers, Chester, 1919. The outer hallmark is rubbed but the one inside the top is very clear. It is in good condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and a few light surface scratches and minor dinks but nothing detrimental. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £5, rest of the world £15.
