Description

1920s Ralco pocket watch and chain. The watch has a Swiss 15-jewel stem-winding movement which is working nicely. The watch measures 45mm diameter excluding the winding stem and the loop. The case is chrome plated and it is in good condition, just general light surface marks but nothing serious. The case back has the initials RBJ. The acrylic lens is in good condition. The dial is signed Ralco, a brand name registered by Compagnie Generale d'Exportation Ralco of La Chaux-de-Fonds in May 1920. The dial is in lovely condition and has its original Breguet style hands, a subsidiary seconds dial and an outer minute track. The watch comes with a single chain, 32cm long including the clasps. The watch and chain will come in a new presentation box.
