Description

Unusual 19th Century Folding Brass Fire Guard This is an unusual Fireguard, the guard is all made in Brass, both the frame and the mesh are brass, it has the added advantage that it folds flat for storage, and when opened out it can have shaped front to enclose your fire, very useful for a wood burning stove, it can be stored away when not required. The guard is in good condition and very steady when in use. The guard is 22" high, the sides are 7" deep and 30" long over all when opened flat.
