Description

1930s Vertex half hunter pocket watch. The watch has a stem-winding movement which is working well. The movement is stamped VWC (Vertex Watch Company), 7 jewels, Swiss made. The movement is calibre 31. The movement is protected by an inner hinged cover. The watch itself measures 50.5mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. This case has black Roman numerals to the front cover. The case has minor surface marking from use but overall it is in nice condition. The inner cover is inscribed To Father from Annie Christmas 1932 with best wishes. The winding crown pushes in to open the front cover. The inner lens is glass and is in nice condition. The original outer glass lens has some light surface marking from use. The white enamel dial is signed with the retailers name S Greenough & Sons Bolton. The dial is in nice condition with just some wear to the retailers name. The watch has blued steel hands designed so that the time can be read when the front cover is closed ... with conventional hands, it would be impossible to tell which hand was which through the small le...
