Description

Late C19th Chinese Qing Dynasty carved hardwood display cabinet. Well-carved Chinese 2-part single door glazed hardwood cabinet with pierced angled pediment. Raised on a heavily carved and pierced base, with the frieze depicting twin opposing dragons chasing the 'flaming pearl of wisdom' amongst carved stylised clouds. The legs with carved masks and zoomorphic feet. The uprights of the cabinet frame carved with coiled dragon designs, and the central pediment also carved with twin dragons chasing the flaming pearl. The side returns of the pediment carved with auspicious bats. The edges of the oblong door-frame carved with trailing vine or floral designs. The interior fitted with 3 original adjustable shelves with carved edge detail. In excellent original condition, with crisp well-executed carving throughout. A superb cabinet in which to display a collection of Chinese and Oriental porcelain or objects. H 75" W 32" D 15" D (interior) 13"

Internal Ref: ML 202
