Description

1912 Illinois pocket watch, model 1. The watch has a 17-jewel stem-winding movement which is working nicely. The exquisitely patterned movement is fully signed and the serial number 2500749 dates it back to 1912. The model 1 was produced in small quantities, this particular watch was made in a small run of just 400. The watch measures 48mm diameter excluding the winding stem and the loop. The case gold filled and it is in lovely condition. The hinged case back has some very stylish initials, GH. The acrylic lens is in good condition. The dial is signed with the name of the original retailer of the watch A J Heesen, believed to be the Ohio jeweller. Original blued steel hands, a subsidiary seconds dial and outer minute markers with red numbers. There are a couple of faint hairline line cracks to the dial. The watch will be sent in a new presentation box.
