Description

A set of six English silver handled cake knives from the early half of the last century. In used but tidy condition this set could make a very unusual present perhaps. They are boxed as can be seen and the box still has its little brass clasp. The assay marks are worn but appear to date to 1922. They would be perfect for Tea on the lawn on a glorious summer day or as the ultimate, take them to Goodwood for your picnic. give us a call if you would like to discuss. Cheapest set we could find either for sale or sold so they will hopefully sell quickly. size is for box below. 01565 874075
