Item Reference: SA679502

Date of manufacture: 1880

Dimensions

Height = 65 cm (25.6")

Width = 30 cm (11.8")

Depth = 23 cm (9.1")

Description

This highly decorative large fine quality gilt bronze was produced in France and dates to the late 19th century. This sculpture depicts a triumphant semi-naked muscular male warrior in a striking pose jubilantly waving a flag that hangs from a sturdy pole and blowing a large horn to draw attention to his success in battle. This large bronze is in good condition with some signs of wear to the gilding but overall has a very pleasing appearance. Circa 1880
