Description

Circa 1910 a pair of beautifully made, heavy, copper coloured bronze door handles in good condition, and each one weighs about 1kg. The camera flash makes it difficult to show the rich colour or the quality, but they measure 30.5cm in length and are approximately 6.25cm wide. There is no sign of damage or repair on either and each one has four ready drilled fixing holes. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad, please contact us for a delivery quote.
