Description

Pair of antique bedside chests in good original condition & with plenty of character. The tops & drawer fronts look like burr walnut & the sides may be pine, even though they have a walnut look. They have a very warm original colour & are not for anyone who likes their antiques to look new. These chests have canted corners, original brass handles & sit on bracket feet. Although they look very old, I would date them to around the 1930's period. Width – 18 inches, 46 cm Depth – 14 inches, 35 cm Height – 23 inches, 59 cm
