Description

1920's mushroom lamp This 1920's mushroom lamp was made in the USA when companies such as Tiffany were at the forefront of design using metal and glass to make feature lighting for the home. This example is made of a white metal and then the craftsmen used 'slag glass' as the background to the intricate scenes in the shade. Imagine how good this will look in your home and the interesting lighting it will give. 62cms high 24ins 41cms diameter 16ins All dimensions are approximate. This 1920's mushroom lamp is a piece of antique furniture that is a very green product that has not affected the environment we live in.
