Description

Pair of fine French bronze and ormolu five-light candelabra; each with a semi-draped figure of Nike holding aloft a classical vase with four scrolled branches and a central flambeau finial-sconce; the octagonal bases applied with eagle plaques and a classical draped figure, supporting a globe and pegasus motif, with flambeaux in the angles. Converted for electricity with the fittings removed. Circa second half of the nineteenth century. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November.
