Description

A beautiful antique french mirror in a traditional arched Louis Philippe style with a gilt frame. It has an ornate carved crest and attractive floral designs in the corners. It has it's original mirror plate which is slightly foxed and worn in places, giving a good distressed and aged look. It is in good original condition for its age with a sturdy boarded back. There are some minor knocks and chips on the frame but nothing detrimental and it displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery available, please get in touch for an accurate quote.
