Description

George III period small mahogany corner cupboard; the green painted interior with two shaped shelves, enclosed by a panelled door between reeded and canted sides and surmounted by a moulded cornice. Circa 1790 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November.
