Description

Regency red leather and gilt miniature work-box with a gilded plaque of classical figures, a looped handle, four ball feet and a fitted interior containing a thimble and thread. Circa 1820. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November.
