Description

Gents 9ct gold Roamer Premier wrist watch, 1955. The watch has a 17-jewel hand-winding movement which is working nicely. The watch measures 32mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for Birmingham 1955. There are a couple of "dings" to the back of the watch but otherwise the case is in lovely condition. The lens is in good condition. The signed dial is in very nice condition and it has its original dauphine shaped hands, centre seconds hand with red pointer end and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
