Four Rockingham Treacle Glazed Lion Paw Furniture Supports

Price

Sold**Item Reference: SA682771****Date of manufacture: 19th Century**

Dimensions

Height = 9.5 cm (3.7")

Width = 11.5 cm (4.5")

Depth = 8 cm (3.1")

Description

A set of four early 19th century earthenware lion paw furniture supports, in a 'Rockingham' treacle glaze. These are often referred to as sash window supports, however there is no evidence of this and given the tops have a slight lip it is more likely they were used as supports for furniture such as a table or a dresser to raise the legs off flagstone floors and thereby protecting from damp.
