Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 14ct white gold case with diamonds to the decorative shoulders which are incredibly white, bright and crisp. It is attached to a beautiful design bracelet which simply glides around the wrist and of course is hallmarked. The dial is in wonderful original condition and it has a sapphire glass which really does make it stand out. The case measures 18mm wide not including the crown. It will fit a maximum of up to 6.25 inches or 158mm but this can easily be reduced by any competent jeweller. It is quite stunning, the case has been professionally cleaned and polished so it is absolutely pristine. It has a calibre 212 manual winding movement and as you can see is in fabulous condition. As you would expect from Omega the watch is fully marked on the dial, movement and case. It comes complete with a presentation box to keep your watch in perfect condition. This is truly an wonderful piece and would be a present which any lady would love to receive. Omega are one of the most exclusive makers in the world and this watch certa...
