Description

It's been some time since I have had a good complete set of Double Nines dominoes, they are certainly scarce and don't come along very often. These late Victorian dominoes or dominos are all in good condition (minor wear commensurate with age) and come complete in a polished wooden box (a couple of repaired hairlines commensurate with age). A set of double-nine dominoes allows you to play some of the more complicated domino games. They can also be used to add variety to the simpler games, or to allow more people to play them. Dating to around 1900, a superb complete set ready to use. The box measures 9 1/2" x 2 1/4" x 2 3/8" tall. Each domino measures 1 5/8" x 3/4".
