

SA68315

Antique Silver Desk Seal.

Price

Sold**Item Reference: SA68315****Date of manufacture: 1800**

Description

Early Victorian silver and bloodstone table desk seal; the finial is modelled as a figure with crossed legs, on a disc supported by three female figures on a crouched cherub mount. The bloodstone base unscrews to reveal the seal, which is vacant. This is full of intrigue and great craftsmanship; unique and highly collectable. London. 1844. Samuel Whitford. Height 6cm.

Internal Ref: 28/750
