Description

This very useful pair of French style kidney shaped tables would work well as lamp tables, side tables or even bedside tables. They are in very good original condition & date from around the 1930's period. The tops are marble, with pierced gilt metal galleries & there are gilt mounts in various places, with gilt metal edging around the bottom tiers too. They have single drawers with gilt metal handles. I believe the wood is mahogany with kingwood panels & some other inlays. Width – 17 inches, 44 cm Depth – 12 inches, 30 cm Height – 27 inches, 69 cm
