Antique rose gold filled Waltham wrist watch

Price

Sold**Item Reference: SA684441****Date of manufacture: 1910**

Description

Antique rose gold filled Waltham wrist watch. The watch has a hand-winding movement, grade 361, which is working nicely. The nicely patterned movement is fully signed and the serial number 19,223,088 dates it back to 1913. The watch measures 31mm diameter excluding the winding crown and the fixed wire lugs. The case is rose gold filled and is in good condition for such an early piece, light surface marks and a little gentle unevenness to the back. The lens is in good condition. The signed dial has one hairline crack running through number 7 but otherwise looks good. Blued steel hands and an outer minute track. A new leather strap has been fitted. The watch comes in a new presentation box.
