Description

Good example of an antique riveted copper fire extinguisher. It has a large brass maker's plaque for "Waterloo" and a further date plaque for "Year 1938". Excellent quality and a great decorative item. It is in good original condition and displays beautifully. There are no major damages, splits or holes. There are some dents, scratches and general signs of age and use but nothing detrimental. It has been lightly cleaned and polished to retain its wonderful aged patina. The best description comes from the photos so please look at them all carefully and if you have any questions at all please ask. UK delivery £15.
