Description

Size: 5ft 2in x 3ft 11in (158 x 120cm) Antique Caucasian Chelaberd Kazak single medallion rug of small size. Circa 1880. A superb Kazak rug of the sought after and well known Chelaberd design, also known as Eagle Kazak rugs. These rugs are from the Karabagh region of the South West Caucasus. This example is of unusually small size with a well drawn single medallion, the border design is typical for the region. The rug has superb colour with soft terracotta reds, yellows, blues, greens, ivory and browns; the weave is typical Kazak weave with long glossy pile. Great condition, slight even wear with generally good pile, slightly lower in places. There is some corrosion to the browns, a few small old repairs, both ends have one or two rows completed in the corners. Hand washed and ready for use or display. The rug is suitable for normal domestic use or would make a great display item. Stock Number: H-323.
