

SA685448

Victorian 15CT Rose Gold Coral Seed Pearl Ring

Price

Sold**Item Reference: SA685448****Date of manufacture: 1880**

Description

A pretty Victorian ring set with four coral cabochons and two rows of gleaming seed pearls. In excellent antique condition, no chips or cracks, all the pearls have a lovely shining nacre. Fully hallmarked for Chester 15-carat gold, c.1881. Fifteen-carat gold pieces are not overly common (in the UK only really used between 1854 and 1932) and as this fineness was generally used in high quality pieces, it is attractive to collectors. Size: 7 (US), O (UK). Weight: 2.3g.
