Description

A quite rare Bristol delft 'bianco supra bianco' scalloped edge dish, c.1750, in the fashionable Chinoiserie style; beautiful delicate brushwork. As usual with 18th century delftware there are some small 'nibbles' to the edge and a couple of kiln marks from its manufacture. A nice quality touch is that even the underside is decorated. SIZE: 9 inches in diameter. PROVENANCE: The Collection of Sir William Whitfield CBE, St Helen Hall, County Durham. (Image 4)
