Description

A superb Art Deco silver and guilloche enamel circular patch box. Hallmarked for Stockwell & Co, London, 1925. The top with a black silhouette scene. The interior is brightly gilded with a mirror below the lid. It is in good condition for its age. There are some general signs of age and use but nothing detrimental. There is a small hairline crack in the enamel on the back of the pot (see photo) but no other damages. The interior gilding is bright and the silver has been lightly cleaned and polished and overall it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £5, rest of the world £15.
