Description

Circa 1910-1920 A large brass ship's binnacle compass in very good condition with the little paraffin lamp inside the attached compartment. The binnacle measures approximately 31cm in height and the width is about 62cm in diameter. The compass is attached to a beautifully made, highly polished wood base. Near the base is a label clearly labelled PATT. 01151.A COMPASS No. 7521.H. See photo 3. Around the compass the same details are clearly visible - photo 4. The compass weighs just under 5kgs and postage and packing for the UK mainland only is included in the price.
