Description

A vintage Jaeger le Coultre atmos clock signed Turler on the bezel also stamped atmos jaeger-le coultre on the inside of base . Turler worked with Jaegar- le Coultre between 1935 and 1955 . Atmos is the brand name of a mechanical torsion pendulum clock manufactured by Jaeger-le Coultre in Switzerland which does not need to be wound manually. It gets the energy it needs to run from temperature and atmospheric pressure changes in the environment, it can run for years without human intervention. The clock is in good working condition for its age . Contact 07970119030 £1450
