Description

Fine quality William IV period rosewood side-cabinet with two adjustable open shelves, flanked by narrow cupboards with panelled doors and surmounted by a double turned-bobbin frieze and a later green marble top. Circa 1835 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November.
